LETTER BEFORE CLAIM — UNPAID INVOICES AND DAMAGED GOODS

We act for Brightwater Foods Ltd (company no. 08812345) in connection with the haulage agreement dated 12 March 2026 between our client and Northgate Logistics Ltd (the "Agreement").

On 22 September 2026 a refrigerated consignment collected from our client's depot was delivered two days late and at an unsafe temperature. Our client's quality manager, Priya Raman, rejected the load on arrival and recorded the reasons the same day. Northgate Logistics Ltd has since invoiced our client in full and has not responded to her complaint of 25 September 2026.

Sums claimed

Item	Reference	Amount
Rejected consignment	PO-55120	£18,420.00
Disposal and re-delivery	INV-7731	£2,915.50
Overpaid freight charges	INV-7698	£1,240.00

Our client therefore claims £22,575.50, together with interest under the Late Payment of Commercial Debts (Interest) Act 1998.

What we ask you to do

Please pay £22,575.50 within 14 days of this letter, by 17 November 2026, to our client account at Harbour Bank plc, IBAN GB33 BUKB 2020 1555 5555 55, quoting reference MC/2026/0417.

If you dispute the claim, please send a full written response by the same date, identifying the documents you rely on, in accordance with the Practice Direction on Pre-Action Conduct. Your driver's delivery log for vehicle WX71 KLM and the temperature records for 22 September 2026 should be preserved.

Next steps

If we do not receive payment or a substantive response by 17 November 2026, our client intends to issue proceedings in the Business and Property Courts in Bristol without further notice. Our client remains open to mediation and invites you to propose dates.

Please direct all correspondence to the writer, Helen Marsh, on 0117 496 0832 or at h.marsh@marshcole.example. Copies of the rejection report and the invoices are enclosed.

Yours sincerely,

Helen Marsh
